eCLAWS “Submit a Contract or Agreement for Review” Step-by-Step Instructions-Research & Innovation Purpose

ECLAWS is a simple contract and agreement workflow system that asks questions to help you provide the right information needed by your Gatekeeper (if applicable), Reviewer(s), and Signatories in order to process your contract as quickly as possible.

To submit a contract or agreement for review, have a copy of your contract (in electronic format), any supporting documents (Statements of Work, Scope, W9’s, Certificates of Insurance, etc.) ready to upload to the system.

NOTE: A TEST version of ECLAWS has been created for users to review/train/practice. To access the TEST environment, log into ECLAWS-TEST with your My Northeastern credentials. The Production environment should only be used for actual contract and agreement submissions.

Submitter Dashboard

On the My Agreements and Contracts-In process dashboard, contracts are listed with the most recent “Last Modified” date at the top. The Status column shows the workflow stop where the contract is currently in process.

The colored dots in the dashboard in the Status column are used to visually indicate how long the record has been at a certain stop in the workflow. At the Gatekeeper stop, the dots change at shorter intervals than they do at Reviewer or Signatory stops. This table indicates the intervals at which dot colors change:

4. Provide the relevant information by answering the “General Information” questions, then select “Next.”

Note: If the external organization is not in the database, manually insert the name of the other party in the field, and provide address details on the next page.

Effective 2-4-2020
5. On the “Other Party Details” page, review the other party’s address; the default address from the database, if known, is displayed; to change the address, or include Other Party contact information, select the “EDIT” buttons, and change/provide the information; then, select “Next.”

NOTE: This action changes the address in this record only; it does not change the default address in the eCLAWS application.

6. On the “Purpose & Type” page, first select the purpose of the agreement “Research & Innovation” by selecting the checkbox (to see a definition of the Purpose, select the “I” in the appropriate tile); then within the tile, pull the dropdown and select the Agreement or Contract Type:
7. Once the Purpose and Type are selected, you can preview the workflow associated with the record:

**Applicable Route: Research: Material Transfer Agreement**

A confirmation pop-up showing a summary of your contract submission appears – select “Finish” to close the window:

10. To see your contract in the workflow, go to the eCLAWS Home dashboard and the “My Agreements & Contracts – In Process” section; select the record ID to view the summary line:
a. The “Contract/Agreement Data” summary screen is shown; select the “Route Log” from the left navigation to see the record in workflow:

The “Route Log” is where you can see where your agreement or contract is in the workflow; where it has been, where it is presently, and where it is going. It includes dates and times the record was acted upon, or when it moved along the workflow. At the top horizontally, the workflow is shown at a high level; Vertically, the workflow is shown in detail.

c. To see list of those who have a role and can process the record at the different stops, select the “I” next to the workflow role label. Once a user in the workflow assigns the record to him/herself, their name will appear in the horizontal and vertical workflow:
11. If you have made an error in your contract submission, you can cancel or recall it by selecting the “action dots” located in the upper right corner of the Contract/Agreement Data summary screen:

12. To see all of the attachments associated with the record, select “File Cabinet” from the left navigation:

13. To see related eCLAWS or ePAWS records, select “Related Records” from the left navigation:

14. If the Reviewer or Signatory had a question about the record, they can send an Information Request or Consult to relevant parties; those conversations are recorded in the “Informational Requests” tab in the left navigation:

Effective 2-4-2020
a. **Notes about Informational Request and Consult chats:**
   i. *All users with a role on the record can see the chat... the chat is not private between the members of the chat*
   ii. *For Informational Requests, Chat members who do not have a role on the record can only see the chat and any attachments in the chat (they cannot see the entire record); Consult group members can see the entire record, as they have a pre-assigned role as members of the Consult Group*
   iii. *Additional users can be added to a chat by selecting “Users” in the upper right corner of the chat box, then and “+Add User”*
